WELCOME

Welcome to our final production of our 2020-21 calendar. It has been a strange return to the stage with all five productions this term taking the form of film. It has pushed us to think outside the box but our students have certainly risen to the challenge.

Our summer school programme is one of our most popular annual projects. During the 2 weeks the students take part in acting, singing and dance classes. They learn about performing but also have the opportunity to meet new friends, learn new skills and have a professional experience of putting on a show. **WE WILL ROCK YOU Young@Part** is our most ambitious summer school programme to date!

It has been interesting to direct WE WILL ROCK YOU in the current times. The show tells the story of two young bohemians who fight to restore the exchange of free thought, fashion and rock 'n roll to a post-apocalyptic world where the inhabitants dress, think and act the same and importantly, life is lived online. Here we are, having directed act two of the production via zoom and you, our audience are about to enjoy a night at the theatre from the comfort of our own homes - online! I hope the production helps you to discover your inner-bohemian!

Thank you for your continued support through these challenging times. We hope we can welcome you back to a theatre in the near future. But for now, **LET'S ROCK!**
